Requirement To Select A Primary Care Physician (PCP)

This coverage requires You to designate a primary care Provider. You have the right to designate any primary care Provider who participates in your Network and who is available to accept You or Your family members. Until You make this designation, We designate one for You. For children, You may designate a pediatrician as the primary care Provider. For information on how to select a primary care Provider, and for a list of the primary care Providers in Your Network, visit www.bcbsla.com or call the Customer Service phone number on Your ID card. Additional information about Your PCP selection can be found in the "[What Are the Basics About Your Coverage](#)" section of this policy.

You do not need prior authorization from Us or from any other person (including a primary care Provider) in order to obtain access to obstetrical or gynecological care from a healthcare professional in Your Network who specializes in obstetrics or gynecology. The healthcare professional, however, may be

required to comply with certain procedures, including obtaining prior authorization for certain services. For a list of Network healthcare professionals who specialize in obstetrics or gynecology, visit www.bcbsla.com or call the Customer Service phone number on Your ID card.

Notice and Disclosure of Prescription Drug Formulary

This Contract covers Prescription Drugs and uses a closed Prescription Drug Formulary. A Prescription *Drug Formulary* is a list of Prescription Drugs covered under this Contract. Within the Prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost You less than drugs on higher tiers.

Information about Your formulary is available in several ways. Most Members receive information from Us by accessing the pharmacy section of Our website, www.bcbsla.com/pharmacy.

You may also call Us at the number on Your ID card to ask whether a specific drug is included in Your formulary. If a Prescription Drug is on Your Prescription Drug Formulary, this does not guarantee that Your prescribing healthcare Provider will prescribe it for a particular medical condition or mental illness.

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in Our Prescription Drug Formulary, there is a drug formulary exception process. This process allows You, Your designee or Your prescribing healthcare Provider to ask for a formulary exception from Us. This request must be based on Medical Necessity. If the request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary. If the request is not approved, You may file an internal or external formulary exception request to Us.

Notice of Continuation of Prescription Drug Coverage

You have the right to continue the coverage of any Prescription Drug that We approved or covered for a medical condition or mental illness, at the contracted Benefit level until the renewal of Your current insurance coverage regardless of whether the drug has been removed from Your formulary. Your prescribing healthcare Provider may prescribe a drug that is an alternative to a drug for which continuation of coverage is required if the alternative drug is covered under the health plan and is medically appropriate for You.

Article 1. What Are the Basics of Your Coverage?

HMO Louisiana, Inc. issues this health Contract to the Subscriber shown on the *Schedule of Benefits*. As of the Effective Date or amended Effective Date shown on the *Schedule of Benefits*, We agree to provide the Benefits specified in this Contract for Subscribers and their enrolled Dependents. This Contract replaces any others previously issued to the Subscriber, as of the amended Effective Date.

This Contract describes Member Benefits, as well as Member rights and responsibilities under this coverage. We encourage You to read this Contract carefully.

You should call Us if You have questions about Your coverage, or any limits to the coverage available to You. Many of the sections of this Contract are related to other sections of this Contract. You may not have all of the information You need by reading just one section. Be aware that Your Physician does not have a copy of Your Contract and is not responsible for knowing or communicating Your Benefits to You.

Except for necessary technical terms, We use common words to describe the Benefits provided under this Contract. *We, Us, and Our* means HMO Louisiana, Inc. (HMOLA). *You, Your, and Yourself* means the Subscriber and enrolled Dependent. Capitalized words are defined terms in Article 2: *What Terms Do We Use in this Contract?* A word used in the masculine gender applies also in the feminine gender, except where otherwise stated.

You must read and understand Your Contract Yourself. Your doctor does not have a copy of it, and does not know and cannot tell You what Benefits You have.

This Coverage and the Patient Protection and Affordable Care Act

The Patient Protection and Affordable Care Act of 2010 and the Health Care and Education Reconciliation Act of 2010 (the Affordable Care Act) were signed into law in March, 2010. This coverage is compliant with and subject to the Affordable Care Act and covers all Essential Health Benefits required by law.

Coverage under the Affordable Care Act can be purchased either through:

- the Exchange, with or without the assistance of an agent or producer; or
- HMO Louisiana, Inc. directly or through an agent or producer.

The Exchange is the health insurance marketplace that is operated by the federal government for the State of Louisiana. Coverage purchased through the Exchange is called *On-Exchange* coverage. Coverage purchased directly from Us or from an agent or producer is called *Off-Exchange* coverage.

Several important parts and provisions of this Contract are different based on whether this coverage was purchased *On-Exchange* or *Off-Exchange*. See the *Schedule of Benefits* to determine if Your coverage is *On-Exchange* or *Off-Exchange* coverage so You will know which policy language applies to You.

Facts About this HMO Blue Connect Network Point of Service Contract

This is a point of service Contract. You have comprehensive medical and drug coverage, but have a restricted network of Providers available to You – the Blue Connect Network (Network). You can get care from Providers who are not in Your Blue Connect Network, but Benefits will be paid at a lower level.

- A “Tier 1” Provider is a *Blue Connect Network Provider*. You get the best benefits and pay the least when you go to a Provider in the Blue Connect Network. **Always get your services performed by a Tier 1 Provider if at all possible.**
- A “Tier 2” Provider is a *Participating Provider* -- not in the Blue Connect Network – that has signed a Provider agreement to participate in other networks of HMOLA, Blue Cross and Blue Shield of Louisiana, or another Blue Cross and Blue Shield plan. **If you cannot go to a Tier 1 Provider, you should do your best to go to a Tier 2 Provider.** You will pay more than a Tier 1 Provider, but will receive significant cost protections that are available only when you see a Tier 1 or Tier 2 Provider.
- A “Tier 3” Provider is a *Non-Participating Providers* or a Provider who is not in the Blue Connect Network and who has not signed a Provider agreement to participate in the HMOLA Network or any Blue Cross and Blue Shield plan. There are also Providers that are in other networks that have specifically chosen not to be in either Tier 1 or Tier 2 networks. These Providers may be indicated in the Blue Connect Network directory to help you select the lower cost providers. We also try to list most of these Tier 3 Providers on the Schedule of Benefits so you know what providers to avoid if cost is important to you. **Tier 3 Providers will cost you the highest cost share and will not protect you from significant costs for their services. Avoid Tier 3 Providers if there is any way to get services from providers in the other tiers.**

If You go to Providers in Your Blue Connect Network, You will pay the least for care and get the most value from this Contract. You may choose which Providers will render Your care. This choice will determine the amount We pay and the amount the You pay for Covered Services.

For example, if a Copayment is shown on the Schedule of Benefits, You must pay the Copayment amount to the Network Provider each time You receive the Covered Services listed. Most Benefits are subject to Your payment of a Deductible. After payment of Deductibles, Benefits are subject to 2 Coinsurance levels (for example, 80/20, 60/40). Your choice of a Provider determines what Coinsurance level applies to the service provided. We will pay the highest Coinsurance level for Medically Necessary services when You go to a Provider in the Blue Connect Network. We will pay the lower Coinsurance level when You receive Medically Necessary services from a Provider who is not in the Blue Connect Network. Deductible Amounts and Coinsurance percentages are stated on the Schedule of Benefits.

This is a direct access plan. You may see Specialists in the Blue Connect Network without contacting a Primary Care Physician or getting a referral from a Primary Care Physician.

This policy provides Benefits when You travel. If You cannot see a Provider in the Blue Connect Network, try to see a Provider in a Blue Cross network. This will allow You to receive the best value under the policy. When You travel outside the state of Louisiana and need to find a Provider, call the BlueCard® number on Your ID card.

Our Blue Connect Provider Network

You choose which Providers will give You care. This choice will determine the amount We pay and the amount You pay for Covered Services.

HMO Louisiana, Inc. has put together a restricted Provider network for this Contract, consisting of a select group of Physicians, Hospitals and other Allied Providers. We call these Providers *Blue Connect Network Providers* or *Network Providers*. Oral Surgery Benefits are also available when given by Providers in United Concordia Dental Network (Advantage Plus) or in Blue Cross and Blue Shield of Louisiana’s dental network.

Network Benefits mean the highest level of Benefits payable under this Contract when You go to Providers in the Blue Connect Network. *Non-Network Benefits* mean a lower level of Benefit if You go outside the Blue Connect Network for care.

To receive Blue Connect Network Benefits, always verify that a Provider is a current Blue Connect Network Provider. You may review a current paper Provider directory online at www.bcbsla.com, or call customer service at the number on Your ID card. Our Blue Connect Network may be more extensive in some areas than in others. We cannot guarantee the availability of every specialty in all areas.

A Provider may be contracted with Us when providing services at one location and may be considered a Non-Network Provider when giving services from another location. Always check the Provider directory to verify that the services are in the Blue Connect Network at the location where You are seeking care.

Additionally, Providers in the Blue Connect Network may be contracted to perform certain Covered Services but may not be contracted in the Blue Connect Network to perform other Covered Services. When a Blue Connect Network Provider performs services that the Blue Connect Network Provider is not contracted with Us to perform (such as certain High-Tech Imaging services or radiology procedures), Claims for those services will be adjudicated at the Non-Blue Connect Network Benefit level. Check Your Provider directory to verify that the services are In-Network when performed by the Provider or at the Provider's location.

We pay a lower level of Benefits when You go to a Provider outside the Blue Connect Network. Benefits may also be based on a lower Allowable Charge and the application of a penalty. You will usually pay Deductible and Coinsurance instead of a Copayment. Receiving care from a Non-Network Provider will result in higher Out-of-Pocket costs to You. A daily penalty may apply when Inpatient care is received from a Non-Blue Connect Hospital. We recommend that You ask Non-Blue Connect Network Physicians or healthcare professionals about their billed charges before You receive care. Review the *Sample Illustration of Your Costs When You Go to a Non-Participating Hospital* before receiving care outside the Network. Emergency services performed in the Emergency department of a Hospital, even when the Hospital is not in Your Network, will be paid at the Network level of Benefits.

United Concordia Advantage Plus Dental Network

This Contract covers Pediatric Dental Care Benefits for Members under age 19. United Concordia Companies, Inc. doing business as United Concordia Dental (UCD) is HMO Louisiana, Inc.'s network and claims administrator for the dental Benefits and is in charge of managing the Advantage Plus Dental Network, handling and paying Claims, and providing customer services to the Members eligible to receive these Benefits.

United Concordia Advantage Plus Dental Network (Advantage Plus) consists of a select group of Providers who have contracted with United Concordia Dental to give services to Members for reduced amounts. All other Providers are considered Non-Participating. Non-Participating Providers may bill You more for their services than Participating Providers.

To receive full pediatric dental Benefits, You should verify that a Provider is an Advantage Plus Dental Network Participating Provider before any service is given. To find a Participating Provider and verify their continued participation in the Advantage Plus Dental Network, or to ask any questions about Benefits or Claims, go to www.bcbsla.com or call customer service at (866) 445-5338.

We, Us, and Our mean United Concordia Dental when it acts on behalf of HMO Louisiana, Inc. in performing its services under the dental coverage provided in the Articles for Oral Surgery Benefits and Pediatric Dental Care Benefits.

We will base reimbursements for services given by a Non-Participating Provider on Our Allowable Charge and will pay them in the same amounts, under the same limits, rules and policies that We would have applied to Claims for services given by a Participating Provider. Care received from a Non-Participating Provider will mean a higher out-

of-pocket cost to You. We recommend that You ask the Non-Participating Provider about their billed charges before You receive care.

Davis Vision Network

Davis Vision, Inc. (Davis Vision) is Our network and claims administrator for the vision Benefits provided, and manages the Davis Vision Network, handles and pays Claims, and provides customer services to the Members under age 19 eligible to receive these Benefits.

The Davis Vision Network consists of a select group of Providers who have contracted with Davis Vision to give services and supplies to You for minimal out-of-pocket costs. We consider all other Providers to be Non-Participating.

To receive the full Benefits under this section, verify that a Provider is a Davis Vision Network Participating Provider before any service is given. To find a Participating Provider and verify their continued participation in the Davis Vision Network, or to ask any questions about Benefits or Claims, go to www.davisvision.com or call customer service at 1-800-247-9368.

Obtaining Care Outside Louisiana and Around the World

Members have access to Emergency and Non-Emergency care outside Louisiana and around the world. Your ID card offers convenient access to Covered Services through Blue Cross and Blue Shield Providers throughout the United States and in more than 200 countries worldwide.

In the United States:

- **Emergencies:** Members receive Network Benefits when covered Emergency Medical Services are provided in the Emergency department of a Hospital, regardless of Provider.
- **Non-Emergencies:** Members receive Non-Network Benefits when covered Non-Emergency Medical Services are given outside Your Service Area. Because no Blue Connect Network Service Area exists outside Louisiana, Covered Services given outside Louisiana are paid at the Non-Network Benefit level. If You obtain these services from a BlueCard® Provider, You may only have to pay Your Network amount since BlueCard® Providers will generally accept the Allowable Charge as payment in full for the service.

Outside the United States:

- **Emergencies:** Members receive Network Benefits when covered Emergency Medical Services are provided in the Emergency department of a hospital, regardless of Provider.
- **Non-Emergencies:** Members receive Non-Network Benefits when covered Non-Emergency Medical Services are given outside Your Service Area. Because no Blue Connect Network Service Area exists outside the United States, Covered Services given outside the country are paid at the Non-Network Benefit level. If You obtain these services from a Blue Cross Blue Shield Global® Core Provider, You may only have to pay Your Network amount since Blue Cross Blue Shield Global® Core Providers will generally accept the Allowable Charge as payment in full for the service.

How to Get Care Outside the Service Area

- In an Emergency, go directly to the nearest Hospital.
- Call BlueCard® Access at 1-800-810-BLUE (1-800-810-2583) for information on the nearest BlueCard® Nationwide doctors and Hospitals (for care in the United States), or for information on Blue Cross Blue Shield Global® Core doctors and Hospitals (for care outside the United States). Provider information is also available at www.bcbs.com.
- Use a BlueCard® Nationwide or Blue Cross Blue Shield Global® Core Provider.
- Present Your ID card to the doctor or Hospital, who will verify coverage and file Claims for You.
- You must obtain any required Authorizations from HMO Louisiana, Inc.

Selecting a Primary Care Physician (PCP) for Plans with an office visit Copayment

When You enroll with Blue Connect it is **a requirement of this plan for you** to choose a Primary Care Physician (PCP). PCPs are family practitioners, general practitioners, internists, geriatricians, and pediatricians. Each member of the family may use a different PCP. PCPs may coordinate healthcare needs from Consultation to hospitalization, direct a Member to an appropriate Provider when necessary, and help assist in obtaining any required Authorizations.

A PCP serves as Your total care coordinator for non-emergent care. PCPs, when unavailable to you, will have arrangements in place to provide their patients with information on how to get care after regular office hours. In rare cases, if You have not selected a PCP and we cannot verify Your choice, a PCP may be assigned. You may select a different PCP by contacting Our Customer Service Department.

Selecting and Using a Primary Care Physician (PCP)

This Contract is sold with or without an office visit Copayment. The Schedule of Benefits will state whether a Copayment applies. If a Copayment for office visits is shown on the Schedule of Benefits, this direct access plan allows You to receive care from a Primary Care Physician (PCP) or from a Specialist Physician. No PCP referral is required before going directly to a Specialist in Your Blue Connect Network.

You pay the lowest Physician Copayment when You go to a PCP. PCPs are family practitioners, general practitioners, internists, geriatricians and pediatricians. Each member of the family may use a different PCP. PCPs will coordinate healthcare needs from Consultation to hospitalization, will direct a Member to an appropriate Provider when necessary, and will help in obtaining any required Authorizations.

The Physician office visit Copayment may be reduced or waived when services are given by a Provider participating in the Quality Blue Primary Care (QBPC) Program. QBPC Providers include family practitioners, general practitioners, internists, geriatricians nurse practitioners, and physician assistants.

If one Provider directs You to another Provider, You must make sure that the new Provider is in the Blue Connect Network before receiving care. If the new Provider is not in the Blue Connect Network, Benefits will be processed at the Non-Blue Connect Network Benefit level and the Allowable Charge that applies to that Provider.

Authorizations

Some services and supplies require Authorization from Us before services are obtained. Your *Schedule of Benefits* lists the services, supplies and Prescription Drugs that require this advance Authorization. An Authorization is Our determination that it is Medically Necessary for the Member to receive the requested medical services.

When We Authorize a service for Medical Necessity, We are not making a determination about the Member's choice of Provider or the level of Benefits that will apply to a resulting Claim.

Blue Connect Network Providers are required to obtain necessary Authorizations on Your behalf. When a Blue Connect Network Provider does not obtain a required Authorization, We penalize the Blue Connect Network Provider, not You, as described on the *Schedule of Benefits*. You pay only for the Blue Connect Network Copayment, Deductible, and Coinsurance shown on the *Schedule of Benefits*.

When We issue an Authorization but You receive the service from a Non-Blue Connect Network Provider (a Participating or Non-Participating Provider); Non-Blue Connect Network Benefits will apply, even when We have Authorized the services as Medically Necessary. You must obtain care from a Provider in the Blue Connect Network to receive the highest level of Benefits available under this Contract.

If a Blue Connect Network Provider directs or refers You to another Provider, You must make sure that the new Provider is in the Blue Connect Network, if You want to receive Blue Connect Network Benefits.

No payment will be made for Organ, Tissue and Bone Marrow Transplant Benefits or evaluations unless We Authorize these services. The services must be given either by a Blue Distinction Center for Transplants (BDCT) for the specific organ or transplant or by a transplant facility in Our HMOLA Network, unless We otherwise approve it in writing. To find an approved transplant facility, call customer service at the number on Your ID card.

How We Determine What We Pay for Covered Services

When You Go to Network Providers (Tier 1)

Network Providers are Providers that have signed Provider agreements with Us to participate in the HMO Louisiana, Inc. Blue Connect Provider Network. These Providers have agreed to accept the lesser of billed charges or the amount negotiated as payment in full for Covered Services. This amount is the Blue Connect Network Provider's *Allowable Charge*. We use this amount to determine Our payment for Your Covered Services. If You go to these Blue Connect Network Providers, You will receive Network Benefits and will pay the amounts shown in the *Blue Connect Network* column on Your *Schedule of Benefits* for these services.

When You Go to Participating Providers (Tier 2)

Participating Providers have not signed Provider agreements for the Blue Connect Network, but have signed Provider agreements with the HMOLA Network, Blue Cross and Blue Shield of Louisiana or another Blue Cross and Blue Shield plan. These Providers have agreed to accept the lesser of billed charges or a negotiated amount as payment in full for Covered Services provided to the Member. This amount is the Participating Provider's *Allowable Charge* and it is used to determine the amount that We pay for Your Covered Services when You go to a Participating Provider. If You receive Covered Services from a Participating Provider, You will receive a lower level of payment than You would have had You gone to a Blue Connect Network Provider. You will pay the amounts shown in the *Non-Blue Connect Network* column on Your *Schedule of Benefits* for these services. Remember, there are some Providers that should be in Tier 2 but they have specifically chosen not to protect you from significant costs. These Providers are generally listed on your Schedule of Benefits and are Tier 3 Providers.

When You Go to Non-Participating Providers (Tier 3)

Non-Participating Providers do not have a signed Provider agreement with the Blue Connect Network, HMOLA Network, Blue Cross and Blue Shield of Louisiana, or any another Blue Cross and Blue Shield plan. These Providers are not in Our Networks. We have no fee arrangements with them.

We establish an Allowable Charge for Covered Services provided by Non-Participating Providers. The Allowable Charge will be the lesser of the following:

- (1) An amount We establish based on Our choice of Medicare's published fee schedule, what Medicare pays, or what Medicare allows for the service;
- (2) an amount We establish as the Allowable Charge; or
- (3) the Provider's billed charge. You will receive a lower level of Benefit because You did not go to a Network Provider.

You may pay significant costs when You go to Non-Participating Providers. This is because the amounts that some Providers charge for Covered Services may be higher than the established Allowable Charge. Also, Blue Connect Network Providers and Participating Providers waive the difference between the actual billed charge for Covered Services and the Allowable Charge, while Non-Participating Providers will not.

You have the right to file an Appeal with Us for consideration of a higher level of Benefits if You received Covered Services from a Non-Participating Provider who was the only Provider available to deliver the Covered Service within a 75-mile radius of Your home. To file an Appeal, follow the Appeal procedures in this Contract.

Sample Illustration of Your Costs When You Go to a Non-Participating Hospital

Note: The following example is for illustration purposes only; it may not reflect Your actual Copayments, Deductible, and Coinsurance amounts. See the *Schedule of Benefits* to figure Your actual Benefits.

Example: A Member has this Blue Connect Point of Service Contract. The Blue Connect Benefits are 80% - 20% Coinsurance with a Deductible. The Non-Blue Connect Network Benefits are 60% - 40% Coinsurance with a higher Deductible. Assume he goes to the Hospital, has already met the Deductible, and has gotten the necessary Authorization before receiving a non-Emergency service. The Hospital bills \$12,000 for the Covered Service.

For this service, We negotiated an Allowable Charge of \$2,500 with the Blue Connect Network Hospital. The Allowable Charge of Participating Hospitals is \$3,000. Because We have no negotiated rate with the Non-Participating Hospital, he must pay the part of the bill that We do not pay, up to the Provider's billed charge.

Here's how much the Member would pay if he went to three different Hospitals for the same service:

If the Member receives Covered Services from:

	A Blue Connect Network Hospital	A Participating Hospital	A Non-Participating Hospital
	Tier 1 – Network GO HERE	Tier 2 - Non-Network GO HERE IF TIER 1 IS NOT AN OPTION	Tier 3 - Non-Network TRY NOT TO GO HERE. YOUR COST IS TOO HIGH
Hospital Bill:	\$12,000	\$12,000	\$12,000
Allowable Charge:	\$2,500	\$3,000	\$2,500
We pay	$\frac{\$2,500 \text{ Allowable Charge}}{80\% \text{ Coinsurance}} = \underline{\$2,000}$	$\frac{\$3,000 \text{ Allowable Charge}}{60\% \text{ Coinsurance}} = \underline{\$1,800}$	$\frac{\$2,500 \text{ Allowable Charge}}{60\% \text{ Coinsurance}} = \underline{\$1,500}$
The Member pays	$20\% \text{ Coinsurance} \times \$2,500 \text{ Allowable Charge} = \underline{\$500}$	$40\% \text{ Coinsurance} \times \$3,000 \text{ Allowable Charge} = \underline{\$1,200}$	$40\% \text{ Coinsurance} \times \$2,500 \text{ Allowable Charge} = \underline{\$1,000}$
Does he receive a bill from the Hospital?	NO	NO	YES for \$9,500
Total the Member pays	\$500	\$1,200	\$10,500 Hospital bill 12,000 Amount We pay – 1,500 He must pay \$10,500

Prescription Drug Benefits

Some pharmacies have contracted with Us or with Our Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are “Participating Pharmacies”. The Allowable Charge for covered Prescription Drugs purchased from “Participating Pharmacies” is the negotiated amount and it is used to base Our payment for the Your covered Prescription Drugs.

When You buy covered Prescription Drugs from a pharmacy that has not contracted with Us or with Our Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense, the Allowable Charge is the negotiated amount that most “Participating Pharmacies” have agreed to accept as payment for drugs dispensed.

Members who lose this or other coverage because they do not pay their premium or lose this or other coverage for cause (such as filing fraudulent Claims or an intentional misrepresentation of a material fact in connection with the Contract) are not special enrollees and have no special enrollment rights.

1. The following are examples of special enrollment events for all Contracts purchased both On-Exchange and Off-Exchange:

The request will be denied and coverage will not be available if HMO Louisiana, Inc. does not receive the request for enrollment form within 60 days after the loss of other coverage.

The following Deductibles may apply to Benefits provided by this Contract.

A separate Deductible Amount may apply to certain Covered Services if shown on the *Schedule of Benefits*.

3. We will apply the Member's Claims to the appropriate Deductible Amount in the order in which Claims are received and processed. It is possible that one Provider may collect the Deductible Amount from the Member, then when the Member receives Covered Services from another Provider, that Provider also collects the Member's Deductible Amount. This generally occurs when the Member's Claims have not been received and processed by Us. Our system will only show the Deductible Amount applied for Claims that have been processed.

Therefore, the Member may need to pay toward the Deductible Amount until his Claims are submitted and processed, showing that the Deductible Amount has been met. If the Member overpays his Deductible Amount, the Member is entitled to receive a refund from the Provider to whom the overpayment was made.

4. If We pay a healthcare Provider amounts that are Your responsibility, such as Copayments or the Deductible and Coinsurance, We may collect such amounts directly from You. You agree that We have the right to collect such amounts from You.

Our actual payment to a Provider or payment to the Member satisfies Our obligation to provide Benefits under this Contract.

b. Secondary Procedures

The secondary procedures are procedures performed in addition to the primary procedure which adds significant time, risk, or complexity to the Surgery. The Allowable Charge for the secondary procedure will be based on a percentage of the Allowable Charge that would be applied had the secondary procedure been the primary procedure.

c. Incidental Procedure

- (1) An incidental procedure is one carried out at the same time as a more complex primary procedure and which requires little additional Physician resources or is clinically integral to the performance of the primary procedure.
- (2) The Allowable Charge for the primary procedure includes coverage for the incidental procedures. If the primary procedure is not covered, any incidental procedures will not be covered.

d. Unbundled Procedures

The unbundled procedures will be rebundled for assignment of the proper comprehensive procedure code as determined by Us.

The Allowable Charge for the assistant surgeon is based on a percentage of the fee paid to the primary surgeon.

General anesthesia services are covered when requested by the operating Physician and performed by a certified registered nurse anesthetist (CRNA) or Physician, other than the operating Physician or the assistant surgeon, for covered surgical services. - c. Benefits for anesthesia will be determined by applying the Coinsurance percentage to the Allowable Charge based on the primary surgical procedure performed. Benefits are available for the anesthesiologist or CRNA who performs the service. When an anesthesiologist medically directs or supervises the CRNA, payment may be divided between the medical direction or supervision and administration of anesthesia, when billed separately.

The Prescription Drugs must be dispensed on or after the Member's Effective Date by a licensed pharmacist or a pharmacy technician under the direction of a licensed pharmacist, upon the prescription of a Physician or an Allied Health Professional who is licensed to prescribe drugs. Benefits are based on the Allowable Charge that We determine and only those Prescription Drugs that We determine are Medically Necessary will be covered. Certain Prescription Drugs may be subject to Step Therapy or require prior Authorization as shown on the *Schedule of Benefits*.

B. Some Pharmacies Have Contracted with Us

Some pharmacies have contracted with Us or with Our pharmacy benefit to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are "Participating Pharmacies".

Benefits are based on the Allowable Charge as determined by Us. The Allowable Charge for covered Prescription Drugs purchased from "Participating Pharmacies" is the negotiated amount and it is used to base Our payment for the Your Covered Prescription Drugs.

To obtain contact information for "Participating Pharmacies", You should contact Our customer service department or Our Pharmacy Benefit Manager at the telephone number on Your ID card.

C. Present a Valid ID card When You Buy Prescription Drugs

When buying covered Prescription Drugs at a Network Pharmacy, present a valid ID card. The Prescription Drug Deductible, if shown on the Schedule of Benefits, must be satisfied before any Copayment or Coinsurance will apply. If the Member has not met his Prescription Drug Deductible, the Network Pharmacy may collect 100% of the discounted costs of the drug at the point of sale. If the Member has met his Prescription Drug Deductible, he will pay the Copayment amount or Coinsurance percentage shown on the *Schedule of Benefits*. The Network Pharmacy will electronically submit the Claim for the Member.

D. Prescription Drug Formulary

This Contract covers Prescription Drugs and uses a closed Prescription Drug Formulary. A Prescription Drug Formulary is a list of Prescription Drugs covered under this Contract. Within the Prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost You less than drugs on higher tiers. For covered drugs that are listed on the formulary, Our Drug Utilization Management Program, more fully described in the section below, may apply. For covered drugs that are included on the formulary, Our Drug Utilization Management Program, more fully described in the section below, may apply.

Information about Your formulary is available to You in several ways. Most Members receive information from by accessing the pharmacy section of Our website, www.bcbsla.com/pharmacy or request a copy by mail by calling Our Pharmacy Benefit Manager at the number on Your ID card.

You may also call Us at the number on Your ID card to ask whether a specific drug is included in Your formulary. If a Prescription Drug is on Your Prescription Drug Formulary, this does not guarantee that Your prescribing healthcare Provider will prescribe the drug for a particular medical condition or mental illness.

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in Our Prescription Drug Formulary, there is a drug formulary exception process. This process allows You, Your designee or Your prescribing healthcare Provider to ask for a formulary exception from Us. This request must be based on Medical Necessity. If the request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary. If the request is not approved, You may file an internal or external formulary exception request to Us.

Option 1 – Prescription Drug Benefits (3 Tier)

1. The Prescription Drug Deductible, if shown on the Schedule of Benefits, must be satisfied before any Copayment or Coinsurance will apply. The Member may be required to pay a different Copayment or Coinsurance depending on whether the Member's Prescription Drugs are purchased at retail or through the mail. Prescription Drugs may be subject to quantity limitations.
2. The Prescription Drug Copayment or Coinsurance is based on the following tier classifications shown on the *Schedule of Benefits*. Tier placement is based on Our evaluation of a particular medication's clinical efficacy, safety, cost, and pharmacoeconomic factors. You may call customer service or go to www.bcbsla.com/pharmacy to identify the tier classification of Your Prescription Drug.
3. If a formulary exception request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary at the highest drug tier (Member cost share amount).

If the Prescription Drug requires prior Authorization, the Member's Physician must call Medical Authorization at the number on Your ID card to obtain the Authorization. Failure to obtain an Authorization may result in Benefits being denied if the Prescription Drug is later determined not to be Medically Necessary.
2. **Safety checks** – Before the Member's prescription is filled, Our Pharmacy Benefit Manager or We perform quality and safety checks for usage precautions, drug duplication, and frequency of refills (for example, refill before 75% day supply used).
3. **Quantity Per Dispensing Limits/Allowances** – Prescription Drugs selected by Us are subject to quantity limits per day supply, per dispensing event, or any combination. Quantity Per Dispensing Limits/Allowances are based on the following:
 - a. the manufacturer's recommended dosage and duration of therapy;

 - c. FDA-approved recommendations and clinical studies; or
 - d. as determined by Us.
4. **Step Therapy** – Certain drugs and drug classes are subject to Step Therapy. For example, if Drug A and Drug B both treat the Member's medical condition, We may require the Member's Physician to prescribe Drug A first. If Drug A does not work for the Member, then We will cover a prescription written for Drug B. However, if Your Physician's request for a Step B drug does not meet the necessary criteria to start a Step B drug without first trying a Step A drug, or if You choose a Step B drug included in the Step Therapy program without first trying a Step A alternative, You will be responsible for the full cost of the drug.

7. **Coinsurance** – The sharing of Allowable Charges for Covered Services. The sharing is expressed as a percentage. Once the Member has met any Deductible that applies, Our percentage will be applied to the Allowable Charge for Covered Services to determine the Benefits provided.
8. **Cosmetic Surgery/Treatment** – Any procedure or any portion of a procedure performed primarily to improve physical appearance or treat a mental condition through change in bodily form. A procedure, treatment or service will not be considered Cosmetic Surgery or treatment if that procedure, treatment or service restores bodily function or corrects deformity of a part of the body that has been altered as a result of Accidental Injury, disease or covered surgery.
9. **Covered Service** – A service or supply specified in this Contract for which Benefits are available when rendered by a Provider.
10. **Deductible** – The dollar amount, if shown on the *Schedule of Benefits*, of Allowable Charges for Covered Services that each Member must pay within a Benefit Period before payments are made under this Contract. If shown on the *Schedule of Benefits*, the Deductible may be waived for certain services.
11. **Dental Care and Treatment** – All procedures, treatment, and surgery considered to be within the scope of the practice of dentistry, which is defined as that practice in which a person:
 - a. represents himself as being able to diagnose, treat, correct, operate, or prescribe for any disease, pain, injury, deficiency, deformity, or physical condition of the human teeth, alveolar process, gums, or jaws or associated parts and offers or undertakes by certain means to diagnose, treat, correct, operate, or prescribe for any disease, pain, injury, deficiency, deformity, or physical condition of the same;
 - b. takes impressions of the human teeth or jaws or performs any phase of any operation incident to the replacement of a tooth or part of a tooth or associated tissues by means of a filling, crown, denture, or other appliance; or

The determination will be made by a Dentist according to guidelines established by UCD.
14. **Dentist** – A person licensed to practice dentistry in the state in which dental services are provided. Dentist will include other duly licensed dental practitioner under the scope of the individual's license when state law requires independent reimbursement of such practitioners.
15. **Endodontic (Pulpal) Therapy** – A dental procedure that is performed when the decay in a child's tooth reaches into the pulp (nerve) tissue. The infected part of the nerve tissue within the crown portion of the tooth is removed to prevent further inflammation and spread of disease (caries). During this treatment, the diseased pulp tissue is partially or completely removed from both the crown and the roots of the tooth. The canals are cleansed, disinfected, and filled with a special material.
16. **Filling** – A dental restorative material used to restore the function, integrity and form of missing tooth structure, **which** may result from caries or external trauma.
17. **Fluoride Treatment** – Fluoride is a chemical substance that helps prevent tooth decay by making the tooth more resistant to acid attacks from plaque bacteria and sugars in the mouth. It also reverses early decay. Fluoride treatment refers to the direct application of a substance containing this substance to the tooth enamel.
18. **Gingivectomy** – Surgical removal of gum tissue.
19. **Gingivoplasty** – A surgical procedure to reshape or repair the gums.
20. **Inlay** – A custom-made solid substance that is fitted into a cavity in a tooth between the cusps, which is cemented into place to restore its biting surface.
21. **Occlusal Guard** – A horseshoe shaped piece of plastic which is worn over the teeth to protect them against damage caused by clenching or grinding. It works by creating a physical barrier between the patient's upper and lower teeth so that he bites against the plastic rather than wearing down his teeth.
22. **Onlay** – A custom-made solid substance that works like an Inlay but covers 1 or more cusps or the entire biting surface of the tooth. It is usually used when the tooth is too damaged to support an Inlay, but not damaged enough to require a Crown.
23. **Orthodontics** – A dental specialty that treats misalignment of teeth.
24. **Periodontal Scaling and Root Planing** – The process of removing or eliminating etiologic agents (dental plaque, its products, and calculus) which cause inflammation, and help to maintain disease-free the tissues that surround and support the teeth.
25. **Prefabricated Stainless Steel Crown** – A Crown made of stainless steel that is premanufactured in a variety of sizes and are intended to be fitted upon a child's primary tooth which is damaged, to simulate its original form, decrease the risk of future cavities, save the proper amount of space for the eruption of the permanent tooth, and restore the child's ability to bite and chew.

26. **Prosthetic Dentures** – Prosthetic devices constructed to replace missing teeth, and which are supported by surrounding soft and hard tissues of the oral cavity. Conventional dentures are removable, however there are many different denture designs, some which rely on bonding or clasping onto teeth or dental implants.
27. **Provider** – A Physician or Dentist, or Allied Health Professional, licensed where required, performing within the scope of license, and approved by UCD. If a Provider is not subject to state or federal licensure, We have the right to define all criteria under which a Provider's services may be offered to Our Members for Benefits to apply to a Provider's Claims. Claims submitted by Providers who fail to meet these criteria will be denied.

 - b. **Non-Participating Provider** – A Provider that does not have a Provider Agreement with United Concordia Dental's Advantage Plus network for Covered Services rendered to a Member.
28. **Provider Agreement** – An agreement for payment contracted by UCD with Participating Providers. These agreements establish the actual payments which will be made to the Participating Provider.
29. **Sealant** – Plastic material usually applied to the chewing surfaces of the back teeth (premolars and molars) where decay occurs most often, so that they act as a barrier to prevent cavities.
30. **Space Maintainer** – Besides being useful for chewing, baby teeth also act as a guide for the eruption of the permanent teeth that replaces them. If a baby's tooth is lost too early, the permanent tooth that comes after it loses its guide, so it could drift or erupt into the wrong position in the mouth. Neighboring teeth also can move or tilt into the space, reducing the space available for the permanent tooth to come out. Space maintainers are appliances used when a baby tooth is lost too early to help make room for the permanent tooth it was intended to guide.
31. **Resin-Based Composite** – Material composed of plastic with small glass or ceramic particles, which resemble the appearance of natural teeth.
32. **Temporomandibular/Craniomandibular Joint Disorder** – Disorders resulting in pain or dysfunction of the temporomandibular/cranio-mandibular joint which arise out of rheumatic disease, dental occlusive disorders, internal or external joint stress, or other causes.
33. **UCD** – United Concordia Companies, Inc. doing business as United Concordia Dental, the network and claims administrator for the pediatric dental Benefits in this plan and oral Surgery provided by an Advantage Plus Participating Provider.

Orthodontic services will only be covered if the Member fits the following criteria:

1. Members must have a fully erupted set of permanent teeth to be eligible for comprehensive orthodontic services.
2. **All orthodontic services require Authorization**, a written plan of care, and must be rendered by a Provider.
3. Orthodontic treatment must be considered Medically Necessary and be the only method considered capable of:
 - a. Preventing irreversible damage to the Member's teeth or their supporting structures.
 - b. Restoring the Member's oral structure to health and function.
4. A Medically Necessary orthodontic service is an orthodontic procedure that occurs as a part of an approved orthodontic treatment plan that is intended to treat a severe dentofacial abnormality or serious handicapping malocclusion. **Orthodontic services for cosmetic purposes are not covered.**
5. Orthodontia procedures will only be approved for dentofacial abnormalities that severely compromise the Member's physical health or for serious handicapping malocclusions. Presence of a serious handicapping malocclusion is determined by the magnitude of the following variables: degree of malalignment, missing teeth, angle classification, overjet and overbite, open bite, and crossbite.
6. Dentofacial abnormalities that severely compromise the Member's physical health may be manifested by:

- c. Lipping or other speech articulation errors that are directly related to orofacial abnormalities and cannot be corrected by means other than orthodontic intervention.

F. Pre-Determination

Predetermination of dental Benefits is a service available through UCD. This Benefit review before treatment enables You and Your Dentist to see what services are covered by the Contract and what Your cost share and other out-of-pocket costs would be.

Predetermination should not be requested unless total charges for a proposed treatment plan are more than \$200. You may ask Your Dentist to submit a predetermination request. UCD will then provide a summary of covered expenses and payable amounts.

Note that Pre-Determinations are not designed to be used for Emergency Treatments or routine preventive services such as Exams, X-Rays or Cleanings. A Pre-Determination is not an Authorization. When a Covered Service needs to be Authorized, a formal Authorization request before service will have to be submitted.

G. Alternate Benefits

If UCD determines that a less costly Covered Service other than the Covered Service the Dentist performed could have been performed to treat a dental condition, We will pay Benefits based upon the less costly service if such service would produce a professionally acceptable result under generally accepted dental standards.

If the Member and the Dentist choose the more expensive treatment, the Member will be responsible for the additional charges, beyond those allowed under this clause. This limitation does not apply to covered implantology services.

Alternate Benefits that apply to Your treatment plan will be determined during Authorization. However, should the services billed differ from those Authorized, UCD reserves the right to determine if an Alternate Benefit applies to the actual services rendered.

H. Coordination of This Section with Stand-Alone Dental Contracts Which Are Part of This Contract

If a Member has stand-alone coverage for dental Benefits that includes coverage for the Benefits provided for under this Contract, the dental Benefits under the stand-alone coverage will be determined first. Then, the Benefits under this Section will be determined on a secondary basis and will be reduced, so that no more than the full amount of the Allowable Charge is paid under all the dental Benefits for the same Claim or service.

I. Benefit Extension Period After Termination of Coverage

1. The dental coverage under this Section will be extended after the date the coverage for the Member terminates only if:
 - a. A Covered Benefit for such service was incurred while coverage was in effect; and
 - b. Such Covered Benefit is completed within 31 days after coverage terminates.

2. A Covered Benefit expense will be deemed incurred as follows:
 - a. For appliances or changes to appliances – on the date the appliance or prosthesis is permanently placed;

Article 18. Care Management

A. Authorization of Admissions, Services and Supplies, Selection of Provider, and Penalties

1. Selection of Provider

A Member may generally obtain medical care from any Provider. Benefits will be paid at the highest Network level when care is received from a Network Provider. Participating and Non-Participating Providers are Non-Network Providers.

- a. If a Member wants to receive services from a Non-Network Provider and obtain the highest level of Benefits, he must notify Our Care Management Department before services are rendered. We will approve the use of a Non-Network Provider only if We determine that the services **cannot** be provided by a Network Provider within a 75-mile radius of the Member's home.

We must approve the use of the Non-Network Provider and issue any required Authorization before services are rendered. If We do not approve use of the Non-Network Provider and issue an Authorization before services being rendered, Covered Services that are later determined to be Medically Necessary will be paid at the lower Non-Network Provider level shown on the *Schedule of Benefits*.

- b. If We do approve the use of a Non-Network Provider, that Provider may or may not accept the Member's Copayment or Deductible when services are given. We will pay Benefits up to the Allowable Charge for Covered Services rendered by an approved Non-Network Provider who has obtained any required Authorizations before services being rendered.

We will deduct from Our payment the amount of the Member's Copayment or Deductible and Coinsurance percentage whether or not the Copayment or Deductible and Coinsurance percentage is accepted by the Non-Network Provider. An Authorization of Medical Necessity is not an approval of the use of a Non-Network Provider. These are 2 separate functions.

2. Penalties for Failure to Obtain Authorization – Admissions, Outpatient Services and Other Covered Services and Supplies

If Authorization is not requested before Admission or receiving other Covered Services and supplies requiring an Authorization, We will have the right to determine if the Admission or other Covered Services and supplies were Medically Necessary. If the services were not Medically Necessary, the Admission or other Covered Services and supplies will not be covered and the Member must pay all charges incurred.

If the services were Medically Necessary, Benefits will be provided based on the participating status of the Provider rendering the services, as follows:

a. Admissions

- (1) If a Network Provider or a Participating Provider fails to obtain a required Authorization, We will reduce Allowable Charges by the penalty amount stipulated in the Provider's contract with Us or with another Blue Cross and Blue Shield plan. This penalty applies to all covered Inpatient charges. The Network Provider or Participating Provider is responsible for all charges not covered. The Member remains responsible for any Copayment, Deductible, and Coinsurance percentage shown on the *Schedule of Benefits*.
- (2) If a Non-Participating Provider fails to obtain a required Authorization, We will reduce Allowable Charges by the amount shown on the *Schedule of Benefits*. This penalty applies to all covered Inpatient charges. The Member is responsible for all charges not covered and for any Copayment, Deductible, and Coinsurance percentage shown on the *Schedule of Benefits*.

b. Outpatient Services, Other Covered Services and Supplies

- (1) If a Network Provider fails to obtain a required Authorization, We may reduce the Allowable Charge by 30%. The Member remains responsible for any Copayment, Deductible, and Coinsurance percentage shown on the *Schedule of Benefits*.
- (2) If a Non-Network Provider fails to obtain a required Authorization, Benefits will be paid at the lower Non-Network level shown on the *Schedule of Benefits*. The Member is responsible for all charges not covered and remains responsible for any Copayment, Deductible, and Coinsurance percentage shown on the *Schedule of Benefits*.

3. Authorization of Admissions

a. Authorization of Elective Admissions

You must ensure that Your Provider notifies Our Care Management Department of any Elective or non-Emergency Inpatient Hospital Admission. We must be notified (by calling the number on Your *Schedule of Benefits* or Your ID card) before the Admission about the nature and purpose of any Elective Admission or non-Emergency Admission to a Hospital's Inpatient department.

The most appropriate setting for the elective service and the appropriate length of stay will be determined by Us when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If We deny a request for Authorization for an Admission to any facility, the Admission is not covered and You must pay all charges incurred during the Admission for which Authorization was denied.
- (2) If Authorization is not requested before an Admission, We will have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- (3) Additional amounts for which the Member is responsible because Authorization of an Elective or non-Emergency Inpatient Hospital Admission was denied or not requested are considered non-covered and will not apply toward satisfying the Out-of-Pocket Amount.

b. Authorization of Emergency Admissions

You must ensure that Your Physician, Hospital, or a representative notifies Our Care Management Department of all Emergency Inpatient Hospital Admissions to guarantee coverage. Within 48 hours of the Emergency Admission, We must be notified (by calling the number on Your *Schedule of Benefits* or Your ID card) about the nature and purpose of the Emergency Admission. We may waive or extend this time limitation if it is determined that You are unable to timely notify or direct his representative to notify Us of the Emergency Admission. If the end of the notification period falls on a holiday or weekend, We must be notified on the next working day. We will determine the appropriate length of stay for the Emergency Admission when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If We deny Authorization for an Admission to any facility, the Admission will not be covered and You must pay all charges incurred during the Admission for which Authorization was denied.
- (2) If Authorization is not requested, We will have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.

c. Concurrent Review

When We Authorize a Member's Inpatient stay, We will Authorize his stay in the Hospital for a certain number of days. If the Member has not been discharged on or before the last Authorized day, and the Member needs additional days to be Authorized, the Member must make sure his Physician or Hospital contacts Our Care Management Department to request Concurrent Review for Authorization of additional days. This request for continued hospitalization must be made on or before the Member's last Authorized day so We can review and respond to the request that day. If We Authorized the request, We will again Authorize a certain number of days, repeating this procedure until the Member is either discharged or the Member's continued stay request is denied.

- (1) If We do not receive a request for Authorization for continued stay on or before the Member's last Authorized day, no days are approved past the last Authorized day, and no additional Benefits will be paid unless We receive and Authorize another request.

If at any point in this Concurrent Review procedure a request for Authorization for continued stay is received and We determine that it is not Medically Necessary for the Member to receive continued hospitalization or hospitalization at the level of care requested, We will notify the Member and his Providers, in writing, that the request is denied and no additional days are Authorized.

- (2) If We deny a Concurrent Review request or level of care request for Hospital Services, We will notify the Member, his Physician and the Hospital of the denial. If the Member elects to remain in the Hospital as an Inpatient thereafter, or at the same level of care, the Member will not be responsible for any charges unless he is notified of his financial responsibility by the Physician or Hospital before incurring additional charges.
- (3) Charges for non-authorized days in the Hospital that the Member must pay are considered non-covered and will not apply toward satisfying the Out-of-Pocket Amount.

4. Authorization of Outpatient Services, Including Other Covered Services and Supplies

Certain services, supplies, and Prescription Drugs require Our Authorization before a Member receives the services, supplies, or Prescription Drugs. The Authorizations list is shown in the Member's *Schedule of Benefits*. The Member is responsible for making sure his Provider obtains all required Authorizations for him before he receives the services, supplies, or Prescription Drugs. We may need the Member's Provider to submit medical or clinical information about the Member's condition. To obtain Authorizations, the Member's Provider should call Care Management at the number on Your ID card.

- a. If a request for Authorization is denied by Us, the Outpatient services and supplies are not covered.
- b. If Authorization is not requested before receiving Outpatient services and supplies requiring Authorization, We will have the right to determine if the services and supplies were Medically Necessary. If the services and supplies were Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- c. Additional amounts for which the Member is responsible because Authorization of Outpatient services and supplies was denied or not requested are considered non-covered and will not apply toward satisfying the Out- of-Pocket Amount.

Unauthorized use of the ID card by anyone can result in termination of Your coverage. The ID card serves only to identify Members and confers no right to Covered Services or Benefits. To be entitled to Covered Services or Benefits an ID cardholder must be a Member on whose behalf all premiums have actually been paid. You must carry the ID card at all times to ensure prompt receipt of Covered Services. If a card is lost or stolen, notify Us immediately.

f. Due Date for Premium Payments

1. Premiums are due and payable from Subscriber in advance, before the coverage being rendered. Premiums are due and payable beginning on the Effective Date of the first Policy Year of this Contract and on the same date each month thereafter. This is the premium due date. This policy is renewable on a monthly basis by the timely payment of each premium as it becomes due.
2. Premiums are owed by Subscriber. Premiums may not be paid by third parties, unless related to the Subscriber by blood or marriage. Premiums may not be paid by Hospitals, Pharmacies, Physicians, automobile insurance carriers, or other insurance carriers. We will not accept premium payments by third parties unless required by law to do so. The fact that We may have previously accepted a premium from an unrelated third party does not mean that We will accept premiums from these parties in the future. We will accept advance payment of premium tax credits from the federal government.
3. If a premium is not paid when due, We may agree to accept a late premium. We are not required to accept a late premium. The fact that We may have previously accepted a late premium does not mean We will accept late a premium in the future. You may not rely on the fact that We may have previously accepted a late premium as indication that We will do so in the future.
4. Premiums must be paid in US dollars. Policyholder will be assessed a \$25.00 NSF fee should its premium be paid with a check that is returned by the bank due to insufficient funds. If multiple payments are returned by the bank, We may at Our sole discretion refuse to reinstate coverage.

G. Change in Premium Amount

1. This Contract will expire December 31, 2019. This Contract is renewable at Your option for the Policy Year beginning January 1, 2020. Any renewal of this Contract for the Policy Year that begins on January 1, 2020 will be subject to premium changes based on the rates that apply.
2. Except as provided in the following paragraph, We will give You 45 days' written notice of a premium change, at Your last address shown in Our records. Any change in premium will become effective on the date specified in the notice. If You continue to pay Your premium, You show that You accept the change.
3. Premiums are guaranteed for the Policy Year. However, We reserve the right to change premiums more often due to a change in the extent or nature of the risk that was not previously considered in the rate determination process at any time during the life of the Contract. This risk includes the addition of a newly covered person. Additionally, We reserve the right to change the premium if You request a change in Contract Benefits from that which was in force at the time of the last rate determination.
4. If Your age was misstated, any amount payable or any indemnity accruing under this Contract will be such as the premium paid would have purchased at the correct age. A clerical error will not void insurance which should be in force nor will it continue insurance which should have ended.
5. If non-tobacco premiums are charged when tobacco premiums should have been charged, We may retroactively adjust the premium and collect the appropriate premium.

H. Subscriber's Right to Cancel this Contract

1. As the Subscriber, You may cancel this Contract by writing to Us or the Exchange, as applicable, at least 14 days before the date of cancellation.
2. If You write to Us, send Your notice to Us at the home office:

Individual Membership and Billing
HMO Louisiana, Inc.
Attention: Individual Membership and Billing
P. O. Box 98024
Baton Rouge, LA 70898-9024
3. **You may not verbally cancel this Contract. Return this Contract with Your written notice of cancellation.** If You do not include Your Contract when You write to Us to cancel, We will deem Your cancellation notice to include Your declaration that You made a good faith attempt to find Your policy and the policy is not being returned because it was lost or destroyed.
4. If You give Us a cancellation notice, the Contract will be canceled effective on the date that is 14 days from the date of Your cancellation notice or any later date You request in a written notice to Us, or on a date required by law. If Your cancellation request is given to the Exchange, the Exchange will determine the effective date of cancellation.

I. Our Right to Terminate this Contract for Nonpayment of Premium

1. Premiums are to be prepaid before coverage is rendered. The Subscriber is considered delinquent if premiums are not paid on the due date.

2. Subscribers that are receiving advance payments of the premium tax credit by the federal government, and have made at least 1 full first month premium payment during the Benefit Period, will have a 3-month delinquency period (*grace period*) to pay their share of the premiums due under this Contract. Claims will be paid during the first month of the delinquency period. If We do not receive the full premium due during the delinquency period, We will mail a delinquency or lapse notice to the Subscriber's address of record. If by the second month of the delinquency period We have not received all the premium payments that are due from Subscriber, Prescription Drug Benefits may immediately be denied.

All other Claims for Covered Services received during that period will be pended, and Providers will be notified that if the Subscriber's share of the premiums due are not paid in full by the end of the delinquency period, his Claims will be denied. If We have not been paid in full for all the premiums owed by the end of the third month of the delinquency period, this Contract will be cancelled effective on the last day of the first month of the delinquency period, and any advance payments of the premium tax credits received for months 2 and 3 of the delinquency will be returned to the federal government. We will be under no obligation to guarantee later coverage to Subscriber or his Dependents. If Subscriber pays premium in full, he may submit a paper Prescription Drug Claim form and the Claim will be processed. Medical Claims will be automatically processed if payment in full is made.

3. Subscribers that are not receiving advance payments of the premium tax credit have a 30-day delinquency period (*grace period*) from the due date of the premium. If We receive the premium during the delinquency period, coverage remains in effect according to the provisions of the Contract. If We do not receive the premium due during the delinquency period, We will mail a delinquency or lapse notice to the Subscriber's address of record. We may also mail a termination notice to the Subscriber's address of record. We may automatically terminate the Contract without further notice to the Subscriber if We do not receive Subscriber's premium at Our home office within 30 days of the due date (during the delinquency period). If We terminate this Contract for nonpayment of premium, termination will be effective midnight of the last day for which premiums have been paid. We will not be liable to pay Benefits for services rendered after the last date through which premiums have been paid. We will be under no obligation to guarantee later coverage to Subscriber or his Dependents during the Policy Year.
4. If this coverage is terminated for non-payment of premium or other amounts, We may require payment of all past due amounts before agreeing to reinstate this coverage or accepting you for coverage on a future policy of insurance.

J. Our Right to Rescind Coverage, Terminate or Non-Renew the Contract for Reasons Other Than Nonpayment of Premium

1. Causes for Rescission (*retroactive termination*) of this Contract:

Subscriber or a Member commits fraud or intentionally misrepresents material fact under the terms of this Contract. The issuance of this Contract depends on the representations and statements on the *Application for Individual Health Coverage*. All representations made on it are material to the issuance of this Contract. Any information intentionally omitted from the application about any proposed Subscriber or Member will be an intentional misrepresentation of material fact. If You enroll someone who is not eligible for coverage, We will consider it to be an act of fraud or intentional misrepresentation of material fact. In such event, We will give You 30 days' advance written notice by certified mail and will include the reason for Rescission. Rescission could be retroactive to the Effective Date of coverage.

2. Causes for termination of coverage or non-renewal of this Contract:

- a. Subscriber fails to comply with a material plan provision or obligation under this Contract. In such event, We will give Subscriber 60 days' advance written notice by certified mail and will include the

reason for termination or non-renewal. The effective date of the termination or non-renewal will be provided in the notice.

- b. A Member no longer lives or resides in the Service Area where We are authorized to do business. In such event, We will give Subscriber 60 days' advance written notice by certified mail and will include the reason for termination or non-renewal. The effective date of the termination or non-renewal will be provided in the notice.
- c. We cease to offer this product or coverage in the market. In such event, We will give Subscriber written notice by regular mail 90 days before the termination or non-renewal. The effective date of the termination or non-renewal will be provided in the notice.
- d. A Member enrolls in another Exchange Qualified Health Plan during an Open Enrollment Period or Special Enrollment Period. In such event, coverage will be terminated effective on the day before coverage in the other Qualified Health Plan begins.

A Member is determined ineligible for this Contract at any point in time by the Exchange. In such event, coverage will be terminated effective on the last day of the month after the month in which the Exchange notifies Us of such determination, unless the Member requests an earlier termination date according to prior Contract provisions about cancellation.

k. Termination of a Member's Coverage

1. All coverage will end at the end of the period for which premiums have been paid. No Benefits are available for Covered Services rendered after the date of termination of coverage. However, if You or Your Dependent is an Inpatient in a Hospital on the date of termination, medical Benefits in connection with the Admission for that patient will terminate at the end of that Admission or upon reaching any Benefit limitations set in this Contract, whichever occurs first.
2. You have an obligation to notify Us, within 15 days, when Dependents die or need to be taken off this Contract for any reason. We will re-calculate premiums so You pay the proper amount. No refunds will be made to You if You fail to give timely notice when a Dependent ceases to be eligible to keep coverage or when a Dependent's coverage should have been terminated.
3. Coverage for Subscriber's Spouse terminates automatically, without notice, at the end of the period for which premiums have been paid, when a final decree of divorce or other legal termination of marriage is rendered. You have an obligation to notify Us, within 15 days, after a final divorce or other legal termination of marriage is rendered.
4. Coverage for Dependents terminates automatically, without notice, at the end of the year the Dependent ceases to be an eligible Dependent unless it is specifically otherwise stated in this Contract or as provided by law. Premiums are required to be paid to retain coverage until the Dependent ceases to be eligible.
5. When the Subscriber dies, all coverage on this Contract ends for all people covered by the Contract. Termination is automatic and without notice. Termination is effective at the end of the billing period in which the Subscriber's death occurred, if premiums have been paid through that billing cycle.
6. If the Spouse or other covered Dependents wish to continue coverage, he must notify Us or the Exchange, as appropriate, of the desire to continue coverage. Notification must be received by an HMO Louisiana, Inc. office within 30 days after the date of termination or by the Exchange in the timeframe established by the Exchange, to establish new coverage on a new policy.

7. If You move outside Our Service Area with the intent to move or establish a new residence outside Our Service Area, Your coverage will be terminated.
8. We reserve the right to automatically change the class of coverage and charge appropriate premium on this Contract to reflect the membership on the Contract.

L. Filing of Claims

1. You must file all Claims within ninety (90) days from the date services were rendered, unless it is not reasonably possible to do so. In no event may any Claim be filed later than fifteen (15) months from the date services were rendered.
2. Most Members that have Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically for You. However, if You must file a Claim to access Your Prescription Drug Benefit, You must use the Prescription Drug Claim form. The Prescription Drug Claim form, or an attachment acceptable to Us, may require the signature of the dispensing pharmacist. The Claim form should then be sent to Our Pharmacy Benefit Manager, whose number is on Your ID card.

M. Legal Action

1. No lawsuit related to a Claim may be filed any later than twelve (12) months after the Claims are required to be filed.
2. Any and all lawsuits, other than those related to Claims as stated above, must be brought within one (1) year of the end of the Benefit Period.

N. Release of Information

We may request that the Member or the Provider furnish certain information relating to the Member's Claim for Benefits. We will hold such information, records, or copies of records as confidential except where in Our discretion the same should be disclosed.

O. Assignment

1. Your rights and Benefits payable under this Contract are Yours; You may not assign them in whole or in part to someone else. We will recognize assignments of Benefits to Hospitals if both this Contract and the Provider are subject to La. R.S. 40:2010. If both this Contract and the Provider are not subject to La. R.S. 40:2010, We will not recognize assignments or attempted assignments of Benefits. Nothing in the written description of health coverage will be construed to make the health plan or Us liable to any third party to whom You may be liable for the cost of medical care, treatment, or services.
2. We reserve the right to pay Blue Connect Network Providers, HMOLA Network Providers, and Providers in the Blue Cross and Blue Shield of Louisiana Participating Provider Network directly instead of paying You.

p. Member and Provider Relationship

1. The choice of a Provider is Yours only.
2. We and all Blue Connect Network Providers are to each other independent contractors, and will not be considered agents, representatives, or employees of each other for any purpose whatsoever. HMO Louisiana, Inc. does not render Covered Services but only makes payment for Covered Services You receive. We are not liable for any act or omission of any Provider, or for any claim or demand because of damages arising out of, or in any manner connected with, any injuries suffered by You while receiving care from any Network Provider or in any Network Provider's facilities. We have no responsibility for a Provider's failure or refusal to render Covered Services to You.
3. Use or non-use of an adjective such as Network or Non-Network referring to a Provider is not a statement about the ability of the Provider.

q. Applicable Law and Conforming Policy

This Contract will be governed and construed according to the laws and regulations of the State of Louisiana except when preempted by federal law. This Contract is not subject to regulation by any state other than the State of Louisiana. This Contract will conform to the Essential Health Benefits package and requirements. If any provision of this Contract conflicts with any law of the State of Louisiana or the United States of America that applies, the Contract will be automatically amended to meet the minimum requirements of the law. Any legal action filed against the Plan must be filed in the appropriate court in the State of Louisiana.

r. Notice

Any notice required under this Contract must be in writing. Notice given to You will be sent to Your address stated in the Application for Individual Health Coverage. Notice given to Us will be sent to Our address stated in this Contract. Any notice required to be given will be considered delivered when deposited in the United States Mail, postage prepaid, addressed to You at Your address as the same appears on Our records. You or We may, by written notice, indicate a new address for giving notice.

s. Subrogation

1. To the extent that Benefits for Covered Services are provided or paid under this Contract, We will be subrogated and will succeed to Your right for the recovery of the amount paid under this Contract against any person, organization or other carrier even where such carrier provides Benefits directly to You who are its insured. The acceptance of such Benefits hereunder will constitute such subrogation. Our right to recover will be subordinate to Your right to be "made whole." We will be responsible for Our proportionate share of the reasonable attorney fees and costs actually incurred by You in pursuing recovery.
2. You will reimburse Us all amounts recovered by suit, settlement, or otherwise from any person, organization or other carrier, even where such carrier provides Benefits directly to a Member who is its insured, to the extent of the Benefits provided or paid under this Contract. Our right to reimbursement will be subordinate to Your right to be "made whole." We agree that We will be responsible for Our proportionate share of the reasonable attorney fees and costs actually paid by You in pursuing recovery.
3. You will take such action, furnish such information and assistance, and execute such papers as We may require to facilitate enforcement of Our rights, and will take no action prejudicing Our rights and interests under this Contract. We and Our designees have the right to obtain and review Your medical and billing

records if We determine in Our sole discretion, that such records would be helpful in pursuing Our right of subrogation and reimbursement.

4. You are required to notify Us of any Accidental Injury.

t. Right of Recovery

Whenever any payment for Covered Services has been made by Us in an amount that is more than the maximum Benefits available for such services under this Contract or is more than the Allowable Charge, or whenever payment has been made in error by Us for non-Covered Services, We will have the right to recover such payment from You or, if it applies, the Provider. As an alternative, We reserve the right to deduct from any pending Claim for payment under this Contract any amounts that We are owed by You or the Provider.

u. Coverage in a Department of Veterans Affairs or Military Hospital

In any case in which a veteran is furnished care or services by the Department of Veterans Affairs for a non-service-connected disability, the United States will have the right to recover or collect the reasonable cost of such care or services from Us to the extent the veteran would be eligible for Benefits for such care or services from Us if the care or services had not been furnished by a department or agency of the United States. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

The United States will have the right to collect from Us the reasonable cost of healthcare services incurred by the United States on behalf of a military retiree or a military Dependent through a facility of the United States military to the extent that the retiree or Dependent would be eligible to receive reimbursement or indemnification from Us if the retiree or Dependent were to incur such cost on his own behalf. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

v. Liability of Plan Affiliates

You expressly acknowledge Your understanding that the agreement is a Contract only between You and HMO Louisiana, Inc., that HMO Louisiana, Inc. is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, the Association permitting HMO Louisiana, Inc. to use the Blue Cross and Blue Shield service marks in the State of Louisiana, and that HMO Louisiana, Inc. is not contracting as the agent of the Association. You also acknowledge and agree that You have not entered into this Contract based on representations by anyone other than HMO Louisiana, Inc. and that no person, entity, or organization other than HMO Louisiana, Inc. will be held accountable or liable to You for any of HMO Louisiana, Inc.'s obligations to You created under this Contract. This paragraph does not create any additional obligations on the part of HMO Louisiana, Inc. other than those obligations created under other provisions of this Contract.

w. Out-of-Area Services

HMO Louisiana, Inc. ("HMOLA") has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees"). Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross and Blue Shield Association. Whenever You obtain healthcare services outside of Our Service Area, the Claims for those services may be processed through one of these Inter-Plan Arrangements.

When You receive care outside HMOLA's Service Area and the service area of Blue Cross and Blue Shield of Louisiana, You will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some

Providers (“Non-Participating Providers”) don’t contract with the Host Blue. We explain below how We pay both kinds of Providers.

This point-of-service Contract covers healthcare services received outside of HMOLA’s Service Area, but pays Non-Network Benefits at a lower level. As used in this section, “Out-of-Area Covered Services” includes most, but not all Covered Services obtained outside the geographic area We serve. Organ, tissue and bone marrow transplants obtained from Non-Network Providers will not be covered when processed through any Inter-Plan Arrangements, unless both the services and use of a Non-Network Provider are Authorized by HMOLA prior to You receiving these services.

Inter-Plan Arrangements Eligibility – Claim Types

All Claim types are eligible to be processed through Inter-Plan Arrangements, except for all Dental Care Benefits when paid as medical Benefits, and those Prescription Drug Benefits or vision care Benefits that may be administered by a third party contracted by Us to provide the specific service or services.

1. BlueCard® Program

Under the BlueCard® Program, when You receive Out-of-Area Covered Services within the geographic area served by a Host Blue, We will remain responsible for doing what We agreed to in the contract. However the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

The BlueCard® Program enables You to obtain Out-of-Area Covered Services from a healthcare Provider participating with a Host Blue, where available. The Participating Provider will automatically file a Claim for the Out-of-Area Covered Services provided to You, so there are no claim forms for You to fill out. You will be responsible for obtaining any required Authorizations and payment of applicable Copayments, Deductible Amount and Coinsurance, as stated in Your Schedule of Benefits.

Emergency Medical Services: If You experience a medical Emergency while traveling outside the HMOLA Service Area, go to the nearest Emergency facility.

When You receive Out-of-Area Covered Services outside HMOLA’s Service Area and the service area of Blue Cross and Blue Shield of Louisiana and the Claim is processed through the BlueCard® Program, the amount You pay for the Out-of-Area Covered Services, if not a flat dollar Copayment, is calculated based on the lower of:

- the billed charges for Your Out-of-Area Covered Services; or
- the negotiated price that the Host Blue makes available to Us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to Your healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of Claims, as noted above. However, such adjustments will not affect the price We have used for Your Claim because they will not be applied after a Claim has already been paid.

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, We will include any such surcharge, tax or other fee as part of the Claim charge passed on to You.

2. Non-Participating Providers Outside Our Service Area

a. Member Liability Calculation

When Out-of-Area Covered Services are provided outside of HMOLA's Service Area and the service area of Blue Cross and Blue Shield of Louisiana by Non-Participating Providers, the amount You pay for such services will normally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment We will make for the Out-of-Area Covered Services as set forth in Your Contract. Federal or state law, as applicable, may govern payments for Non-Network Emergency Medical Services.

b. Exceptions

In certain situations, We may use other payment methods, such as billed charges for Out-of-Area Covered Services, the payment We would make if the healthcare services had been obtained within Our Service Area, or a special negotiated payment to determine the amount We will pay for services provided by Non-Participating Providers. In these situations, You may be liable for the difference between the amount that the Non-Participating Provider bills and the payment We will make for the Out-of-Area Covered Services as set forth in Your Contract.

3. Blue Cross Blue Shield Global® Core

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard® service area"), You may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing Covered Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although the Blue Cross Blue Shield Global® Core assists You with accessing a network of Inpatient, Outpatient and professional Providers, the network is not served by a Host Blue. As such, when You receive care from Providers outside the BlueCard® service area, You will typically have to pay the Providers and submit the Claims Yourself to obtain reimbursement for these services.

If You need medical assistance services (including locating a doctor or Hospital) outside the BlueCard® service area, You should call the Blue Cross Blue Shield Global® Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a Physician appointment or hospitalization, if necessary.

a. Inpatient Services

In most cases, if You contact the Blue Cross Blue Shield Global® Core service center for assistance, Hospitals will not require You to pay for covered Inpatient services, except for Your Deductible and Coinsurance. In such cases, the Hospital will submit Your Claims to the Blue Cross Blue Shield Global® Core service center to begin Claims processing. However, if You paid in full at the time of service, You must submit a Claim to receive reimbursement for Covered Services. You must contact Us to obtain Authorization for non-Emergency Inpatient services, as explained in the Care Management Article of this Contract.

b. Outpatient Services

Physicians, Urgent Care Centers and other Outpatient Providers located outside the BlueCard® service area will typically require You to pay in full at the time of service. You must submit a Claim to obtain reimbursement for Covered Services.

c. Submitting a Blue Cross Blue Shield Global® Core Claim

When You pay for Covered Services outside the BlueCard® service area, You must submit a Claim to obtain reimbursement. For institutional and professional Claims, You should complete a Blue Cross Blue Shield Global® Core claim form and send the claim form with the Provider's itemized bill(s) to

the Blue Cross Blue Shield Global® Core service center at the address on the form to initiate Claims processing. Following the instructions on the claim form will help ensure timely processing of Your Claim. The claim form is available from Us, the Blue Cross Blue Shield Global® Core service center, or online at www.bcbsglobalcore.com. If You need assistance with Your Claim submission, You should call the Blue Cross Blue Shield Global® Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

x. HIPAA Certificates of Creditable Coverage

We will issue a certificate of Creditable Coverage or similar document to an individual, if requested within 24 months after coverage under this Contract ceases.

y. Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage

We will provide to certain individuals who have Prescription Drug coverage under this Contract, without charge, a written certification that their Prescription Drug coverage under this Contract is either creditable or non-creditable. Coverage is *creditable* if it is at least as good as the standard Medicare Part D prescription drug benefit. We will give these certificates to Covered individuals who are eligible for Medicare Part D based on enrollment data You provided to Us.

We will provide Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage to You at the following times, or as designated by law;

1. before the Medicare Part D Annual Coordinated Election Period;
2. before an individual's Initial Enrollment Period (IEP) for Medicare Part D;
3. whenever Prescription Drug coverage under this Contract ends;
4. whenever Prescription Drug coverage under this Contract changes so that it is no longer creditable or becomes creditable; and
5. upon a Medicare beneficiary's request.

Article 21. Coordination of Benefits

A. Applicability

1. This Coordination of Benefits ("COB") section applies to This Plan when a Member has healthcare coverage under more than one Plan. "Plan" is defined below.
2. This Section is intended to describe the order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary plan. The Primary plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary plan is the Secondary plan. The Secondary plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable expense.

B. Definitions (Applicable only to this Article of this Contract)

1. “Allowable Expense” means any healthcare service or expense, including deductibles, coinsurance or copayments, that is covered in full or at least in part by any Plan covering the person.
 - a. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid.
 - b. An expense or a portion of an expense that is not covered by any of the Plans is not an allowable expense.
 - c. The following are examples of expenses that are not Allowable Expenses.
 - (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
 - (2) If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charged by the Provider in excess of the highest reimbursement amount for a specified benefit is not an Allowable Expense.
 - (3) If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 - d. The following are examples of expenses that are Allowable Expenses.

If a person is covered by one plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the primary Plan’s payment arrangement shall be the allowable expense for all plans.

The amount of any benefit reduction by the Primary plan because a covered person has failed to comply with the Plan provisions is not an Allowable expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.
2. “Closed Panel Plan” a plan that provides health benefits to covered persons primarily in the form of services through a panel of Providers that have contracted with or are employed by the plan, and that excludes benefits for services provided by other Providers, except in cases of emergency or referral by a panel member.
3. “Coordination of Benefits or COB Provision” the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

4. "Custodial Parent"
 - a. the parent awarded custody of a child by a court decree; or
 - b. in the absence of a court decree, the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
5. "Order of Benefit Determination Rules" determine whether This plan is a Primary plan or Secondary plan when the person has health care coverage under more than one Plan. When This plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable expense.
6. "Plan" is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.
 - a. Plan includes:
 - (1) Group and non-group Insurance Contracts;
 - (2) Health maintenance organization (HMO);
 - (3) group and non-group coverage through closed panel plans;
 - (4) Group-Type Contracts (whether insured or uninsured);
 - (5) the medical care components of long-term care contracts, such as skilled nursing care;
 - (6) the medical benefits under group or individual automobile contracts;
 - (7) Medicare or other governmental benefits, as permitted by law .
 - b. Plan does not include:
 - (1) hospital indemnity coverage benefits or other fixed indemnity coverage;
 - (2) accident only coverage;
 - (3) specified disease or specified accident coverage;
 - (4) limited benefit health coverage as defined by state law;
 - (5) school accident-type coverage except those enumerated in LSA-R.S. 22:1000 A.3C;
 - (6) benefits provided in long-term care insurance policies for non-medical services;
 - (7) Medicare supplement policies;
 - (8) a state plan under Medicaid; or

- (9) coverage under other federal government plans, unless permitted by law.

Each contract for coverage under a or b, listed above, is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

c. Order of Benefit Determination Rules

1. When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:
 - a. The Primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
 - (1) Except as provided in Paragraph (2) below, a Plan that does not contain a coordination of benefits provision that is consistent with this Section is always primary unless the provisions of both Plans state that the complying plan is primary.
 - (2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that the supplementary coverage shall be excess to any other parts of the Plan provided by the Policyholder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
 - b. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
2. Each Plan determines its order of benefits using the first of the following rules that apply:
 - a. Non-Dependent or Dependent Rule. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, Subscriber or retiree is the Primary plan and the Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary plan and the other Plan is the Primary plan.
 - b. Dependent Child Covered Under More Than One Plan Rules. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - (1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (a) The Plan of the parent whose Birthday falls earlier in the calendar year is the Primary plan; or

- (b) If both parents have the same Birthday, the Plan that has covered the parent the longest is the Primary plan.
- (2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (a) If a court decree states that one of the parents is responsible for the dependent child's healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - (b) If a court decree states that both parents are responsible for the dependent child's healthcare expenses or healthcare coverage, the provisions of Subparagraph (1) above shall determine the order of benefits;
 - (c) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the dependent child, the provisions of Subparagraph (1) above shall determine the order of benefits; or
 - (d) If there is no court decree allocating responsibility for the dependent child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
 - (a) The Plan covering the Custodial parent;
 - (b) The Plan covering the spouse of the Custodial parent;
 - (c) The Plan covering the non-custodial parent; and then
 - (d) The Plan covering the spouse of the non-custodial parent.
- (3) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraphs (1) or (2) above shall determine the order of benefits as if those individuals were the parents of the child.
- (4) For a dependent child covered under the spouse's plan:
 - (a) For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the Longer or Shorter Length in Coverage Rule applies.
 - (b) In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule above in Subparagraph (1) to the dependent child's parent(s) and the dependent's spouse.
- c. **Active Employee or Retired or Laid-off Employee Rule.** The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering that same person as a retired or laid-off employee is the Secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or

laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule of Subparagraph (2) can determine the order of benefits.

- d. **COBRA or State Continuation Coverage Rule.** If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule of Subparagraph (2) determine the order of benefits.
- e. **Longer or Shorter Length of Coverage Rule.** The Plan that covered the person as an employee, member, policyholder, Subscriber or retiree longer is the Primary plan and the Plan that covered the person the shorter period of time is the Secondary plan.
- f. **Fall-Back Rule.** If none of the preceding rules determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In any event, This Plan will never pay more than it would have paid had it been the Primary plan.

D. Effects on the Benefits of This Plan

- 1. When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable expenses. In determining the amount to be paid for any claim, the Secondary plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable expense under its Plan that is unpaid by the Primary plan. The Secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable expense for that claim. In addition, the Secondary plan shall credit to its plan deductible, coinsurance, copayments and any amounts it would have credited to its deductible in the absence of other health care coverage.
- 2. The difference between the benefit payments that this plan would have paid had it been the primary plan, and the benefit payments that it actually paid or provided shall be recorded as a benefit reserve for the covered person and used by this plan to pay any allowable expenses, not otherwise paid during the claim determination period. As each claim is submitted, this plan will:
- 3. If there is a benefit reserve, the secondary plan will use the covered person's benefit reserve to pay up to 100 percent of total allowable expenses incurred during the claim determination period. At the end of the claims determination period, the benefit reserve returns to zero. A new benefit reserve must be created for each new claim determination period.
 - a. determine its obligation to pay or provide benefits under its contract;
 - b. determine whether a benefit reserve has been recorded for the covered person; and
 - c. determine whether there are any unpaid allowable expenses during that claims determination period.

4. If a covered person is enrolled in two or more Closed panel plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed panel plan, COB shall not apply between that Plan and other Closed panel plans.

You may request a copy in either paper form or electronic form of Appendix C, which provides an explanation for secondary plans on the purpose and use of the benefit reserve and how secondary plans calculate claims. A copy of Appendix C is also available on the Louisiana Department of Insurance's website at https://www.ldi.la.gov/docs/default-source/documents/legaldocs/regulations/reg32-appendixc.pdf?sfvrsn=24e14b52_0.

E. Summary

This is a summary of only a few of the provisions of your health plan to help you understand coordination of benefits, which can be very complicated. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language above, which determines your benefits.

1. Double Coverage

It is common for family members to be covered by more than one health care plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers. When you are covered by more than one health plan, state law permits your insurers to follow a procedure called "coordination of benefits" to determine how much each should pay when you have a claim. The goal is to make sure that the combined payments of all plans do not add up to more than your covered health care expenses. Coordination of benefits (COB) is complicated, and covers a wide variety of circumstances. This is only an outline of some of the most common ones.

2. Primary or Secondary

You will be asked to identify all the plans that cover members of your family. We need this information to determine whether we are the "primary" or "secondary" benefit payer. The primary plan always pays first when you have a claim. Any plan that does not contain your state's COB rules will always be primary.

3. When This Plan is Primary

If you or a family member are covered under another plan in addition to this one, we will be primary when:

- a. The claim is for your own health care expenses, unless you are covered by Medicare and both you and your spouse are retired;
- b. The claim is for your spouse, who is covered by Medicare, and you are not both retired;
- c. The claim is for the healthcare expenses of your child who is covered by This Plan and:
 - (1) You are married and your birthday is earlier in the year than your spouse's or you are living with another individual, regardless of whether or not you have ever been married to that individual, and your birthday is earlier than that other individual's birthday. This is known as the birthday rule.;
 - (2) You are separated or divorced and you have informed us of a court decree that makes you responsible for the child's health care expenses; or

(3) There is no court decree, but you have custody of the child.

4. Other Situations

- a. We will be primary when any other provisions of state or federal law require us to be. When we are the primary plan, we will pay the benefits in accordance with the terms of your contract, just as if you had no other health care coverage under any other plan
- b. We will be secondary whenever the rules do not require us to be primary. When we are the secondary plan, we do not pay until after the primary plan has paid its benefits. We will then pay part or all of the allowable expenses left unpaid, as explained below. An “allowable expense” is a health care service or expense covered by one of the plans, including copayments, coinsurance and deductibles.

If there is a difference between the amount the plans allow, we will base our payment on the higher amount. However, if the primary plan has a contract with the provider, our combined payments will not be more than the contract calls for. Health maintenance organizations (HMOs) and preferred provider organizations (PPOs) usually have contracts with their providers.

We will determine our payment by subtracting the amount the primary plan paid from the amount we would have paid if we had been primary. We will use any savings to pay the balance of any unpaid allowable expenses covered by either plan.

If the primary plan covers similar kinds of health care expenses, but allows expenses that we do not cover, we will pay for those items as long as there is a balance in your benefit reserve, as explained below.

We will not pay an amount the primary plan did not cover because you did not follow its rules and procedures. For example, if your plan has reduced its benefit because you did not obtain pre-certification, as required by that plan, we will not pay the amount of the reduction, because it is not an allowable expense.

c. Benefit Reserve

When we are secondary we often will pay less than we would have paid if we had been primary. Each time we "save" by paying less, we will put that savings into a benefit reserve. Each family member covered by this plan has a separate benefit reserve. We use the benefit reserve to pay allowable expenses that are covered only partially by both plans. To obtain a reimbursement, you must show us what the primary plan has paid so we can calculate the savings. To make sure you receive the full benefit or coordination, you should submit all claims to each of your plans. Savings can build up in your reserve for one year. At the end of the year any balance is erased, and a fresh benefit reserve begins for each person the next year as soon as there are savings on their claims.

F. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming Benefits under This Plan must give Us any facts We need to pay the Claim.

G. Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a Benefit paid under This Plan. To the extent, such payments are made; they discharge Us from further liability. The term “payment made” includes providing benefits in the form of services, in which case the payment made will be deemed to be the reasonable cash value of any benefits provided in the form of services.

H. Right of Recovery

If the amount of the payments that We made is more than it should have paid under this COB section, We may recover the excess. We may get such recovery or payment from one or more of:

1. the persons We have paid or for whom We have paid;
2. insurance companies; or
3. other organizations.

The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

Article 22. How Can You File a Complaint, Grievance, or Appeal?

We want to know when a Member is dissatisfied about the care or services he receives from HMO Louisiana, Inc. or one of Our Providers. If a Member wants to register a Complaint or file a formal written Grievance about Us or a Provider, please refer to the procedures below.

A Member may be dissatisfied about decisions We make regarding Covered Services. We consider a written Appeal as the Member’s request to change an Adverse Benefit Determination made by the Company.

Your Appeal rights are outlined below, after the Complaint and Grievance procedures. In addition to the Appeals rights, the Member’s Provider is given an opportunity to speak with a Medical Director for an Informal Reconsideration of Our coverage decision when they concern Medical Necessity determinations.

We have expedited Appeals processes for situations where the time frame of the standard Medical Appeals would seriously jeopardize the life or health of a covered person or would jeopardize the covered person’s ability to regain maximum function.

A. Complaint, Grievance, and Informal Reconsideration Procedures

A quality of service concern addresses Our services, access, availability or attitude and those of Our Network Providers. A quality of care concern addresses the appropriateness of care given to a Member.

1. **To Register a Complaint**

An Informal Reconsideration is a request by telephone, made by an authorized Provider on the Member's behalf, to speak to Our medical director or a peer reviewer about a Utilization Management decision that We have made. An Informal Reconsideration is typically based on submission of additional information or a peer-to-peer discussion.

An Informal Reconsideration is available only for initial determinations that are requested within ten (10) days of the denial or Concurrent Review determination. We will conduct an Informal Reconsideration within one (1) working day of Our receipt of the request.

B. Standard Appeal Process

If a Member is not satisfied with Our decision, a written request to Appeal must be submitted within one hundred eighty (180) days of Our initial Adverse Benefit Determination for Administrative Appeals and internal Medical Appeals. Requests submitted to Us after one hundred eighty (180) days of Our initial Adverse Benefit Determination will not be considered.

Multiple requests to Appeal the same Claim, service, issue or date of service will not be considered.

If the Member has questions or needs assistance, the Member may call Our Customer Service Department.

The Member has the right to appoint an authorized representative to speak on their behalf in his Appeals. An authorized representative is a person to whom the Member has given written consent to represent him in an internal or external review of an Adverse Benefit Determination. The authorized representative may be the Member's treating Provider, if the Member appoints the Provider in writing.

We will determine if a Member's Appeal is an Administrative Appeal or a Medical Appeal.

The Member is encouraged to provide Us with all available information to help Us completely evaluate the Appeal such as written comments, documents, records, and other information relating to the Adverse Benefit Determination.

We will provide the Member, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Adverse Benefit Determination.

1. Administrative Appeals

Administrative Appeals involve contractual issues and Adverse Benefit Determinations which are not related to Medical Necessity, appropriateness, healthcare setting, level of care, effectiveness or treatment is determined to be experimental or investigational.

Administrative Appeals should be submitted in writing to:

HMO Louisiana, Inc.
Appeals and Grievance Unit
P.O. Box 98045
Baton Rouge, LA 70898-9045

Persons not involved in previous decisions regarding the initial Adverse Benefit Determination will review the Administrative Appeal. If the Administrative Appeal is overturned, We will reprocess the Member's Claim, if any. If the Administrative Appeal is upheld, this decision will be considered final and binding.

The Administrative Appeal decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within thirty (30) days of receipt of the Member's request; unless it is mutually agreed that an extension of time is warranted.

Administrative Appeals have only one internal level of review and are not eligible for the External Appeal process with the exception of a Rescission of Coverage.

2. Medical Appeals

Medical Appeals involve Adverse Benefit Determinations for Medical Necessity, appropriateness, healthcare setting, level of care, or effectiveness or is determined to be experimental or Investigational and any related prospective or retrospective review determination.

We offer the Member two (2) standard levels of Medical Appeals, including an internal review of the initial Adverse Benefit Determination, then an external review.

Medical Appeals should be submitted in writing to:

HMO Louisiana, Inc.
Medical Appeals
P. O. Box 98022
Baton Rouge, LA 70898-9022

a. Internal Medical Appeals

A Physician or other healthcare professional; in the same or an appropriate specialty that typically manages the medical condition, procedure, or treatment under review and who is not subordinate to any previous decision-maker on the initial Adverse Benefit Determination, will review the internal Medical Necessity Appeal.

If the internal Medical Appeal is overturned, We will reprocess the Member's Claim, if any. If the internal Medical Appeal is upheld, We will inform the Member of their right to begin the External Appeal process if the Adverse Benefit Determination meets the criteria.

The internal Medical Appeal decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within thirty (30) days of receipt of the Member's request; unless it is mutually agrees that an extension of time is warranted.

b. External Medical Appeal and Rescission of Coverage

For Medical Appeals and Rescission of Coverage, the second level will be handled by an external Independent Review Organization (IRO) that is not affiliated with Us and randomly assigned by the Louisiana Department of Insurance.

A Member must exhaust all internal Appeal opportunities prior to requesting an External Appeal conducted by an Independent Review Organization.

If the Member disagrees with the internal Medical Appeal decision or Rescission of Coverage, a written request for an External Appeal must be submitted within one hundred twenty (120) days of receipt of the internal Medical Appeal decision or Rescission of Coverage to:

HMO Louisiana, Inc.
Medical Appeals
P. O. Box 98022
Baton Rouge, LA 70898-9022

Requests submitted to Us after one hundred twenty (120) days of receipt of the internal Medical Appeal decision or Rescission of Coverage will not be considered. You are required to sign the form included in the internal Medical Appeal denial notice which authorizes release of medical records for review by the IRO. Appeals submitted by your Provider will not be accepted without this form completed with Your signature.

We will provide the IRO all pertinent information necessary to conduct the Appeal. The external review will be completed within forty-five (45) days of Our receipt of the External Appeal. The IRO will notify the Member, his authorized representative, or a Provider authorized to act on the Member's behalf of its decision.

The IRO decision will be considered a final and binding decision on both the Member and Us for purposes of determining coverage under a health Contract. This Appeals process shall constitute your sole recourse in disputes concerning determinations of whether a health service or item is or was Medically Necessary or Investigational, except to the extent that other remedies are available under State or Federal law.

You may contact the Commissioner of Insurance directly for assistance.

Commissioner of Insurance
P. O. Box 94214
Baton Rouge, LA 70804-9214
1-225-342-5900 or 1-800-259-5300

c. Expedited Appeals

The expedited Appeal process is available for review of the Adverse Benefit Determination involving a situation where the time frame of the standard Medical Appeal would seriously jeopardize the Member's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating physician, the Member may experience pain that cannot be adequately controlled while awaiting a standard Medical Appeal decision.

An expedited Appeal also includes requests concerning an Admission, availability of care, continued stay, or healthcare service for a Member currently in the emergency room, under observation, or receiving Inpatient care.

An Expedited External Appeal is also available if the Adverse Benefit Determination involves a denial of coverage based on a determination that the recommended or requested healthcare service or treatment is deemed experimental or Investigational; and the covered person's treating Physician certifies in writing that the recommended or requested healthcare service or treatment that is the subject of the Adverse Benefit Determination would be significantly less effective if not promptly initiated.

Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal shall be made available to, and may be initiated by the Member, his authorized representative, or a Provider authorized to act on the Member's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-800-376-7741 or 1-225-293-0625.

For written Expedited Appeals, fax 225-298-1837 or mail to:

HMO Louisiana, Inc.
Expedited Appeal - Medical Appeals
P. O. Box 98022
Baton Rouge, LA 70898-9022

1. Expedited Internal Medical Appeals

In these cases, We will make a decision no later than seventy-two (72) hours of our receipt of an Expedited Appeal request that meets the criteria for an internal Expedited Appeal. In any case where the Expedited internal Medical Appeal process does not resolve a difference of opinion between Us and the Member or the Provider acting on behalf of the Member, the Appeal may be elevated to an Expedited External Appeal. If an Expedited internal medical Appeal does not meet the Expedited Appeal criteria or does not include the physician attestation signature, the Appeal will follow the standard Appeal process and timeframe.

2. Expedited External Medical Appeal

An Expedited External Appeal is a request for immediate review, by an Independent Review Organization (IRO). The request may be simultaneously filed with a request for an internal Expedited Appeal, since the Independent Review Organization assigned to conduct the expedited external review will determine whether the request is eligible for an external review at the time of receipt. We will forward all pertinent information for Expedited External Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

Changing Family Members on Your Policy

Article 3: *Schedule of Eligibility* lets You know when You may add additional family members to Your policy. See the *Schedule of Eligibility* and this section as they contain important information for You.

- If Your coverage was purchased On-Exchange: You will need to make all policy changes directly through the Exchange.
- If Your coverage was purchased Off-Exchange through an agent or through HMO Louisiana, Inc.: You will need to make all policy changes through the agent or through HMO Louisiana, Inc. A Change of Status Card is the document that We must receive to enroll family members not listed on Your original application or enrollment form. The Change of Status Card is used to add newborn children, newborn adopted children, a Spouse, or other Dependents. It is extremely important that You follow the timing rules in the *Schedule of Eligibility*. Completing and returning a *Change of Status Card* is especially important when Your first Dependent becomes eligible for coverage or when You no longer have any eligible Dependents. A *Change of Status Card* is also required to remove existing family Members listed on Your Original application or enrollment form, or shown as covered in Our records.

If You do not complete and return a required Change of Status Card to us within the timeframes explained in the *Schedule of Eligibility*, Your insurance coverage may not include the additional family members or family members may not be removed from coverage.

How to File Insurance Claims for Benefits

We and most Providers have entered into agreements that eliminate the need for a Member to personally file a Claim for Benefits. HMOLA or Participating Providers will file Claims for Members either by mail or electronically. In certain situations, the Provider may request the Member to file the Claim.

If Your Provider does request You to file directly with Us, the following information will help You in correctly completing the Claim form. If You need to file a paper Claim, send it to:

HMO Louisiana, Inc.
Claims Processing
P. O. Box 98024
Baton Rouge, LA 70898-9024

Your HMO Louisiana, Inc. ID card shows the way Your name appears on Our records. If You have Dependent coverage, the names are recorded as You wrote them on Your application card. The ID card also lists Your Contract number. This number is the identification to Your membership records and should be provided to Us each time a Claim is filed.

To help in prompt handling of Your Claims, be sure that:

- an appropriate Claim form is used;
- the Contract number on the form is the same as the number on Your ID card;
- the patient's date of birth is listed;
- the patient's relationship to the Subscriber is correctly stated;
- all charges are itemized on a statement from the Provider;
- the itemized statement from the Provider contains the Provider's name, address, and tax ID number and is attached to the Claim form;
- the date of service (date of Admission to a Hospital or other Provider) or date of treatment is correct;
- the Provider includes a diagnosis code and a procedure code for each service and treatment rendered (the diagnosis code pointers must be consistent with the Claim form); and
- the Claim is completed and signed by the Member.

Prescription Drug Claims

Most Members with Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically when You present Your ID card to a Participating Pharmacy. However, if You must file a Claim to access Your Prescription Drug Benefit, You must use the Prescription Drug Claim form. The Prescription Drug Claim form, or an attachment acceptable to Us, may require the signature of the dispensing pharmacist. The Claim form should then be sent to Our Pharmacy Benefit Manager, whose number is on Your ID card.

Benefits will be paid to the Member based on the Allowable Charge for the Prescription Drug.

Other Medical Claims

When You receive other medical services (clinics, Provider offices, etc.) You should ask if the Provider is an HMO Louisiana, Inc. or Participating Provider. If yes, this Provider will file Your Claim with Us. In some situations, the Provider may request payment and ask You to file. If this occurs, be sure the claim form is complete before forwarding to HMO Louisiana, Inc.

If You are filing the Claim, the Claim must contain the itemized charges for each procedure or service.

Statements, canceled checks, payment receipts and balance forward bills may not be used in place of itemized bills.

Important Note: Itemized bills submitted with claim forms must include the following:

- full name of patient;
- dates of service;
- description of and procedure code for service;
- diagnosis code;
- charge for service; and
- name and address of Provider of service.

Claims for Nursing Services

A receipt must be obtained for nursing services from each nurse indicating the name of the patient and the number of days covered by each receipt. Each receipt must also be signed by the nurse with the initials RN or LPN and registry number. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary may also need to be filed with the receipts for nursing services.

Claims for Durable Medical Equipment (DME)

Charges for rental or purchase of wheelchairs, braces, crutches, etc. must be on the bill of the supplying firm, giving a description of the item rented or purchased the date, the charge, and the patient's name. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary may also need to be filed with these bills.

LLHIGA NOTICE

SUMMARY OF THE LOUISIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

- A. Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Louisiana Life and Health Insurance Guaranty Association, or LLHIGA. The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Louisiana Life and Health Insurance Guaranty Association provides coverage of certain claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage. Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer. The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

- B. The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S.22:2081 et seq. The following is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.
- C. Generally, individuals will be protected by the Louisiana Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well, even if they live in another state; unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.
- D. Exclusion from Coverage
1. A person who holds a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:
 - a. he is eligible for protection under the laws of another state;
 - b. the insurer was not authorized to do business in this state;
 - c. his policy was issued by a profit or nonprofit hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined by law, or any entity similar to any of these.

2. LLHIGA also does not provide coverage for:

- a. any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- b. any policy of reinsurance (unless an assumption certificate was issued);
- c. interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- d. dividends, premium refunds, or similar fees or allowances described under the law;
- e. credits given in connection with the administration of a policy by a group contract holder;
- f. employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- g. unallocated annuity contracts (which give rights to group contract holders, not individuals), except if qualified by law
- h. an obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law;
- i. a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part A coverage", "Medicare Part B coverage", "Medicare Part C coverage", or "Medicare Part D coverage" and any regulations issued pursuant to those parts;
- j. interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

E. Limits on Amounts of Coverage

- 1. The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out.
- 2. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:
 - a. LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
 - b. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
 - c. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.
- 3. In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.
