

Preventive care/safe harbor drugs are drugs that can help keep you from developing a health condition or related complications of a health condition. The Generic Preventive Care/Safe Harbor Drug Program includes certain generic drugs in selected prescription drug categories. For applicable plans, the generic preventive care/safe harbor drugs included on this list are available at 100% coverage with the deductible waived, when purchased at network pharmacy.

All generic drugs listed below are subject to the quantity and day supply limits included with your benefit plan (typically up to a 90-day supply at mail order). Please refer to your benefit plan for a complete list of benefits, including specific exclusions.
