  I certify, as the patient's treating physician, that delaying the patient's requested service for the time periods applicable to the standard appeal process is likely to seriously jeopardize the patient's life, health, or ability to regain maximum function or subject the patient to severe pain that cannot be adequately managed without the requested service.

  If an Urgent/Expedited appeal is submitted that does not meet the above criteria or does not have the physician attestation signature, the appeal will be processed as a standard appeal.
