

OGB members diagnosed with diabetes may be eligible for a glucometer and test strips at **NO OUT-OF-POCKET COST.**

FREE METER

You may qualify for a glucometer at no out-of-pocket cost from Abbott Diabetes Care.

Get a FreeStyle Lite[®], FreeStyle Freedom Lite[®] or Precision Xtra[®] meter from Abbott Diabetes Care by:

A. Ordering online at www.ChooseFreeStyle.com with offer code: **BQQ3WIQA**

or

B. Ordering by phone by calling **1-800-522-5226** with offer code: **BQQ3WIQA**

or

C. Going to your local pharmacy and requesting a meter.

Your physician must provide you with a new prescription for any of the meters listed above.

FREE TEST STRIPS

You may qualify for test strips at no out-of-pocket cost from Abbott Diabetes Care.

Get FreeStyle Lite[®] or Precision Xtra[®] test strips from your local pharmacy by:

- 1.** Being part of InHealth: Blue Health, Blue Cross' disease management program (if you are not currently enrolled, call a Blue Cross health coach at **1-800-363-9159**).
- 2.** Getting a new prescription for your selected test strips from your doctor. Be sure the strips work with your selected meter.
- 3.** Taking the prescription to your local pharmacy and requesting the test strips.

Your physician must provide you with a new prescription for any of the test strips listed above.

Learn more about the available meters and test strips, get answers to questions, or get help with your new meter by calling Abbott Diabetes Care Customer Service at **1-888-522-5226**, Monday – Friday, 7 a.m. – 7 p.m. Central time, or online at www.AbbottDiabetesCare.com. For questions about your pharmacy benefits, please call MedImpact's Customer Service at **1-800-788-2949**.
