# **BLUE CROSS AND BLUE SHIELD OF LOUISIANA PHARMACY NETWORK DIRECTORY**

## **Introduction**

This directory contains a list of Louisiana pharmacies that participate in the Blue Cross and Blue Shield of Louisiana pharmacy network. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Blue Cross and Blue Shield of Louisiana network pharmacies in your area, please call our Customer Service department at 1-800-392-9259.

In most cases, your prescriptions are covered by Blue Cross and Blue Shield of Louisiana only if they are filled at a network pharmacy or through our mail-order pharmacy service vendor. Once you go to a network pharmacy, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network participating pharmacies.

## **How to Use This Directory**

Pharmacies are organized alphabetically by parish.

To locate a network pharmacy near you:

- find your parish
- choose from the alphabetical listing of pharmacies in your parish

## **Staying in your Blue Cross network is very important.**

You will spend more money when you go out of network. As a Blue Cross and Blue Shield of Louisiana member, you don't need to file any claims. Your network pharmacist will file claims for you. You will only be responsible for copayments, coinsurance and your deductible (if it applies to you) when you use a network pharmacy.

For specific information about your prescription drug coverage, please review your Blue Cross and Blue Shield of Louisiana Benefit Plan and Schedule of Benefits. Customer Service representatives are also available to help you with any questions you may have at 1-800-392- 9259.

## **IMPORTANT NOTES:**

- Blue Cross and Blue Shield of Louisiana cannot guarantee the continuing participation of providers listed in this directory. Our network is always changing. We make every reasonable effort to make sure this directory is accurate and up to date. If you find any errors or omissions, please know that they are accidental, and that we will make corrections in future directories.
- Express Scripts, Inc. is an independent pharmacy benefit management company that works in partnership with us, to administer your prescription drug program. Express Scripts has independently contracted with all pharmacies listed in this directory on behalf of HMO Louisiana, Inc. to serve Blue Cross and Blue Shield of Louisiana members.
