RELIABLE AND CONVENIENT DENTAL COVERAGE

If your medical plan already includes the pediatric dental health benefit required by the healthcare reform law or you do not need dental coverage for children, then a Blue Dental Traditional plan is right for you.

Blue Dental Traditional plans can be bought through a Blue Cross agent. They are not available on the Health Insurance Marketplace.

CHOOSE FROM THREE DIFFERENT MONEY-SAVING BLUE DENTAL TRADITIONAL PLANS: PREFERRED, ESSENTIAL AND VALUE. EACH OF THESE INCLUDES:

Preventive Dental Care – exams and cleanings

- Paid at 100% - meaning you pay no out-of-pocket costs and no deductible
- No waiting periods

Coverage for Basic Services

- Simple extractions and fillings

Same level of coverage for adults and children

Coverage for in-network and out-of-network services

SAVE MONEY. USE A NETWORK DENTIST.

To take full advantage of your Blue Dental coverage, choose a dentist who participates in the Advantage Plus Network.* Dentists in the Advantage Plus Network provide covered services at significant savings to you. Some dentists can save you even more money by accepting an allowance for non-covered services too, which includes services that go over your annual maximum. Dentists marked by the green **\$ave!** box under their names in the directory provide these discounts for non-covered services.

If you choose to visit an out-of-network dentist, you may be subject to higher fees and may be required to submit claims yourself.

ADVANTAGE PLUS PROVIDER DIRECTORY

To find out if your dentist participates in the Advantage Plus Network, visit www.bcbsla.com/findcare, choose Dental, then click "GO" on Blue Dental Advantage Plus Network.

If your dentist offers real time, 24 x 7 online appointment scheduling, you can schedule appointments with a click of a button. Many dentists in the Blue Dental Advantage Plus Network now offer this convenient service. Look for the blue [Schedule Online](#) button in the online provider directory.

*Advantage Plus Network is administered by United Concordia Companies, Inc. United Concordia is an independent company that administers dental benefits on behalf of Blue Cross and Blue Shield of Louisiana.
