

Stay home and get your medications delivered right to your door

Don't forget that your Blue Advantage plan comes with mail-order and 90-day-fill options for most drugs that we cover. Now is the perfect time to make the switch, and it couldn't be easier or more convenient.

Choose one of these options to get started:

- Call **1-800-282-2881**
- Go to www.Express-Scripts.com/get90

When you can expect delivery:

- Your drugs should arrive in about one to two weeks, so be sure you have a 30-day supply on hand before transferring to mail order so you don't run out.
- You can check your order status anytime online.

Not ready to make the switch?

- You can still get a 90-day supply of most drugs at network retail pharmacies. Just ask your pharmacist.

Rest assured that we will work with your doctor if there are shortages that may cause problems filling your normal medicines.
